In early 1948, in the aftermath of World War II, and in the hustle and bustle of the “gold mining camp” that was Johannesburg, two brothers started up the “Consumer and Domestic Appliance Company”. This became CADAC! Their ambition was to make products for the burgeoning consumers of the 50s. Soon they were making “cooking, heating and lighting” products fired from LP gas and this soon developed into barbecues. Our traditions were the great outdoors, and to braai. This was Cadac then, and this is also Cadac today.

The origins of the word “braai” is Afrikaans for “barbecue” or “grill”, originating from the early Dutch settlers who settled in Cape Town a few centuries ago. Now it is more than an expression of the way of cooking. It is a social custom. It is fun, it is entertainment, it is always social, it is outdoors, it is music and time to be happy and time to enjoy people, food and good times. Come over for a braai, let’s have a braai, lekker-braai, is the way of life.

RETAIL COOPERATION

DRIVING YOUR BUSINESS

With year round contact, CADAC support is dual-faceted; aiming to inspire CADAC owners across the length and breadth of the country and to achieve lasting relationships with our retailers.

 WHY CADAC?

- CADAC is now recognised as the barbecue “Brand of Choice” in the leisure sector
- CADAC offer a comprehensive range of quality, competitively priced barbecues
- CADAC offer a fantastic range of modular tops and general accessories
- The CADAC consumer is loyal and motivated
- CADAC barbecues receive 5 star online product reviews
- CADAC offer UK based warranty support, being prepared to “adopt” the customer

 CADAC enhance the in-store consumer experience by offering the retailer;

- Extensive, impactful Point of Sale support
- Exciting, personalised in-store staff training and merchandising support
- Conveniently located regional demonstration events, a “user” is a confident salesperson
- Retailer demo days at your own promotional events

 CADAC drive consumer sales, CADAC will sell the lifestyle in 2019.

- With an active social media programme, including recipe sharing
- With an extensive consumer show retail partnership programme extending our reach
- With sponsorship agreements e.g. The Camping & Caravan Club and The CADAC Cook Off
- CADAC Braai ambassadors
- Competitions in the core market press and our own social media

 In 2019 CADAC will create a network of Premier Stores.

- Dedicated knowledgeable staff
- Full range offer
CADAC’S BIG FIVE

South Africa is known for its Big Five animals. With our South African roots and almost 70 years of ‘braai experience’, we proudly introduce our own Big Five!

The Greengrill ceramic coating is organic, environmentally friendly, PFOA free and non-toxic. Greengrill ceramic coating is harder and more scratch resistant than traditional non-stick coatings. Ceramic distributes and retains heat better resulting in a lower gas consumption. All with little compromise to its' ease of cleaning.

Most barbecues in the range benefit from a removable fat pan, so you can simply lift it off and pour away any grease that has collected in the trough around the edges of the fat pan. The ceramic modular cooking tops can be cleaned with ease; simply wipe down with warm soapy water or pop straight into the dishwasher!

Cadac barbecues can be built in minutes, thanks to their cleverly engineered design. Assembly is quick and simple and all components of our leisure barbecues pack down neatly into convenient carry bags for ease of portability.

Modular systems; effortlessly interchangeable cooking surfaces. From grilling to baking and slow cooking to broiling, the CADAC Modular Systems break the boundaries of conventional outdoor cooking.

Cadac portable barbecues exclusively house the leading grill technology, Thermogrill. Cadac BBQ grill tops have an integrated heat deflector, delivering even heat distribution across the grill surface. This improves the quality of your cooking and reduce gas consumption by approximately 34%.

EASY CLEAN

EASY ASSEMBLY

THERMOGRILL
WHY CERAMIC?

At CADAC we live for the outdoors; and we want to ensure that future generations can enjoy it as much as we do. Hence, as of 2017, we have only sold and manufactured eco-friendly ceramic coated grill plates. But what is it that makes ceramic better?

- **No toxins** – During its manufacturing and use, traditional PTFE coated surfaces release harmful toxins. Ceramic coated surfaces release none. Our plates can be used and manufactured without ever releasing a single toxin; making it safe for everyone from the factory to the home.

- **Conductivity** – A ceramic plate conducts heat far more efficiently than its PTFE counterpart meaning; no more than three minutes preheating, quicker cooking times and most importantly – less gas consumption!

- **Uncompromising Non-stick** – Need we say anymore?!

- **Easy clean** – Warm soapy water and a soft cloth will do just fine. Or, just pop it in the dishwasher.

- **Eco-friendly** – Not only does ceramic use zero toxic substances, the manufacturing process also uses much less energy therefore slashing the amount CO2 produced in half.
Whether camping, caravanning or motorhoming, cooking outside is a must and CADAC offer a comprehensive range of portable, stowable barbecues that cater for any need.

CADAC barbecues come in an array of sizes; table top or free-standing models that are easy to build, use, clean and stow.

“Everyone around us at campsites swore by CADAC and for many a good reason. Easy to use, sturdy, flexible, cooks well, lots of accessories for almost everything. Don’t bother getting anything else - listen to what your fellow campers swear by!”

“Absolutely ideal. Just got back from a four day camping trip and used for every meal, my husband couldn’t stop raving about how good it was. Best thing we have bought in a while. The options are endless!”
CADAC believes that a quality product should be driven by a quality team. If, in the unlikely event that a customer finds manufacturing fault with their CADAC, our knowledgable UK based warranty team is readily available and happy to help.

For all customer queries our warranty team is at hand via email; warranty@cadacuk.com where our team will ‘adopt the customer’, dealing directly. The warranty team have years of product knowledge and technical experience with CADAC barbecues to draw upon.

In ‘adopting the customer’, our warranty team can educate the user, ensuring any consumer misuse issues are not repeated.

To make a claim, please email warranty@cadacuk.com where a claim form and procedures will be provided and informed. CADAC never replace the whole item when part/s replacement is appropriate and would implore retailers not to issue spare part replacement from store stock.

CADAC leisure barbecues come with a 2 year manufacturers’ limited warranty; and CADAC leisure accessories come with a 1 year limited warranty from the original purchase date.
CARRI CHEF 2 RANGE

BBQ, BAKE, FRY, SMOKE, STEAM OR ROAST ... WITH CONFIDENCE

The Carri Chef 2 is recognised as the ultimate modular gas barbecue, offering a range of interchangeable drop-in tops that extend your cooking options.

Easy to build, use, clean and stow; this barbecue is compact and efficient, perfect for anyone with a taste for barbecuing but short on space.

The powerful, yet finely adjustable, stainless steel burner delivers consistent, delicious results on the grill; the integrated automatic piezo ensures ignition every time.

The rust proof, easy to clean porcelain-enamelled lid has an integrated precise thermometer, checking the barbecue temperature could not be easier!

With a separate storage bag do not let its portability deceive you, this barbecue reigns supreme.

Features

1. **Stay-Cool Handle** - Allowing for ease and safe lid removal.
2. **Porcelain Enamelled Vented Lid with Precise Integrated Thermometer** - Rust free, weatherproof and easy to clean. Thermometer displays temperatures accurately.
3. **GreenGrill® Ceramic Grill Plate** - Organic, PFOA free coating; harder wearing than traditional non-stick coatings. Grill plate also includes an integrated Thermogrill, delivering optimal heat distribution.
4. **Removable Pot Stand** - Extend your cooking options using domestic pots and pans.
5. **Removable Fat Pan** - Fat and juices collect in the trough of the fat pan. Simply lifting to clean, preventing any grease fires. **Top Tip:** Add some water or sand to the trough to make cleaning even easier.
6. **Gas Control** - Finely adjustable with automatic piezo ignition, allowing you to cook delicious meals instantly.
7. **Tripod Style Legs** - Allowing for stable BBQ usage, complete with **leg locking system** ensuring simple leg detachment ready for stowing. Two of the three legs also possess dome lid locators, allowing the lid to be tucked away ready for grill tending.
8. **Convenient Utility Tray** - Stable tray for storage of condiments and accessories.

- **270 grams/h**
- **47 cm**
- **10.5 kg**
- **2-10**

SAFARI CHEF 2 RANGE

COMPACT BUT MIGHTY.

Discover the Safari Chef 2 Range; lightweight and compact, the Safari Chef 2 is compact but mighty. This portable barbecue packs a punch; whether camping, fishing or caravanning, all of your outdoor cooking needs are covered. Widely regarded as the UK’s number one camping and caravanning necessity. With a range of four to choose from, this 28cm barbecue offers up to four interchangeable cooking surfaces; options that offer more cooking freedom. The Safari Chef 2 packs away neatly thanks to the foldable legs and the durable storage bag included. Whatever you’re exploring, do it with the Safari Chef 2.

Features

1. **Enamelled Cooking Pot / Lid** - Hardwearing and easy to clean. As with all things CADAC, this is dual purposed, multiplying your cooking options.

2. **Interchangeable Modular Surface Options** - Unrestricted cooking options, precisely matching every need; two of many, the ceramic flat and griddle plate.

3. **Enamelled Fat Pan** - True to our Easy-to-Clean beliefs; the enamelled Fat Pan will collect all fat and grease. Our top tip is to add a little bit of water, or sand, to the Fat Pan trough to make cleaning even easier.

4. **Automatic Piezo Ignition** - Allowing for quick, safe ignition to allow you to cook delicious food instantly. Heat setting display; easy to control for the perfect cooking temperature everytime.

5. **Foldable Legs** - For compact storage; maximising portability in minimum space.

6. **Convenient Storage Bag** - Durable storage bag that cleverly packs away the complete Safari Chef 2.

Specifications:

- **Weight**: 4.5 kg
- **Height**: 4.5 cm
- **Ignition Type**: Automatic Piezo
- **Power Output**: 130 grams/h
- **Diameter**: 28 cm
- **Cooking Area**: 2-4 people

MODULAR SURFACES

Fat drainage holes.
The possibility of discovery is endless with the **2 Cook 2**. This stylish gas barbecue is a lightweight unit and is the ultimate tabletop companion, with two independent burners, each with piezo ignition. Don’t let its size deceive you, the **2 Cook 2** knows no limits. This versatile BBQ comes with two pot stands, a ceramic flat plate and ribbed plate. The unit works on a refillable gas bottle and comes with a convenient carry bag for easy portability and storage, making it ideal for whatever outdoor activity your heart desires.

**Features**

1. **Multiple Cooking Variations** - Included in this compact barbecue are two independent cooking areas; a ceramic flat plate and ribbed plate, as well as two pot stands. As with all things **CADAC**, cooking options are extended. The plates are Ceramic coated; true to our **Easy-to-Clean** beliefs.

2. **Steel Powder-Coated Lid** - Allowing for safe portability, facilitating an even more compact barbecue.

3. **Push Button Piezo Ignition** - Quick, safe ignition that allows you to cook delicious food instantly. Heat setting display; easy to control for the perfect cooking temperature everytime.

4. **Convenient Storage Bag** - Durable storage bag that cleverly packs away the **2 Cook 2**, weighing 5kg.
2 COOK 2 PRO DELUXE

ULTIMATE TABLETOP COMPANION

PRODUCT FEATURES

- Dual Burner

ESSENTIAL ACCESSORIES

A WORKMAN IS ONLY AS GOOD AS HIS TOOLS

Just as an artist only being as good as his brushes, barbecuing is indeed an art. CADAC recognises this and so has focussed on establishing a wide range of BBQ accessories and their famous Modular Systems, offering an answer to every single barbequing need. The art of barbequing is more than cooking sausages on a grill, barbequing is a way of life and CADAC provides all the necessary tools for you to Live the Braai Life.

1 Smoker Box - Introducing the Smoker Box. Cook meat and achieve that deep smokey flavour you would expect from a real wood fired grill; the same, if not better results with a fraction of the effort.

2 iBraai - Meet CADACs all new bluetooth thermometer, the iBraai. This bit of smart tech takes the guess work out of grilling by allowing you to set temperature alarms so you never over-do those steaks again! What is more, its all controlled through your smartphone. Combine this with ability to upload photos straight to your social media, the iBraai is something all barbequers need for 2019.
## ESSENTIAL ACCESSORIES

### BURGER PRESS (Ø 11CM)
Create meat patties that are consistent in shape, size and weight. Quick and easy. Diecast aluminium with non-stick coating.

GAS SUPPLY

POWER FOR YOUR OUTDOOR LIVING.

Power your outdoor cooking adventures with our range of gas cartridges and regulators; suiting every outdoor cooking need, allowing you to get your CADAC powered up and cooking delicious meals in no time. Our range of regulators ensure a safe gas connection, tailored to your gas supply source.

1. Quick Release Tailpiece - Incorporating a quick action coupling mechanism to clip on and off with ease. An alternative to the handwheel assembly tailpiece. The clue is in the name, the Quick Release Tailpiece enables quick, easy and safe attachment and detachment from your gas supply; be it cylinder or built-in motorhome, or caravan, supply.

2. 500g Threaded Valve Cartridge - A Butane and Propane mix gas cartridge, fitted with a threaded self-sealing safety valve. A lightweight gas supply alternative allowing for ease of portability, staying true to our core Big Five beliefs. Compatible with three CADAC regulators, including the innovative Dual Power Pak, powering CADACs low pressure barbecues. The Threaded Valve Cartridge can also power the high pressure Safari Chef 2 by screwing directly into the bottom.
GAS AND REGULATORS

**220G AEROSOL NOZZLE CARTRIDGE**
- Butane/Propane gas mix cartridge, fitted with SSN-29 flange valve.
- Suitable for CADAC’s new K3 Power Pak.
